NABMA 2022 - *Your Invitation*

We are delighted to return to our traditional dates and format for the NABMA AGM and Conference 2022 and make a welcome return to Harrogate, a most popular venue on the NABMA circuit of conference venues.

The Conference will be a recognition of the immense contribution of markets to local communities during the pandemic and a look to the future and the many opportunities and threats posed as we all see the impact of change in our daily lives.

More so than ever, markets remain as a true asset in terms of their community contribution, as a footfall generator and as valuable outlet for entrepreneurship and start-up businesses. The agenda, after the pandemic is now much greater with markets having a role to play in addressing climate change and levelling up.

Within our membership there is much to share and discuss in terms of good practice, opportunities and challenges. Our conference programme will address many of these issues and therefore Harrogate will be the place to be between 18 – 20 September.

A Welcome from our Conference Sponsor

NABMA is delighted to announce and welcome our new sponsor, Vitabri, for 2022. Vitabri is renowned for its high-quality products, designed and produced in France. Vitabri will be the headline sponsor for our AGM and Conference.

Vitabri Chief Executive Emmanuel Musner confirmed " We look forward to welcoming NABMA delegates to Harrogate and spending time together".

"Vitabri is an established brand in the worldwide market industry and we are excited about working in partnership with NABMA and its membership in the months ahead. As a company we share the same values as NABMA and look forward to bringing our premium outdoor equipment, modern solutions and expertise to the UK market industry. Please contact us if you feel we can help you with questions around our products, consultancy or bespoke designs".

Welcome to Harrogate

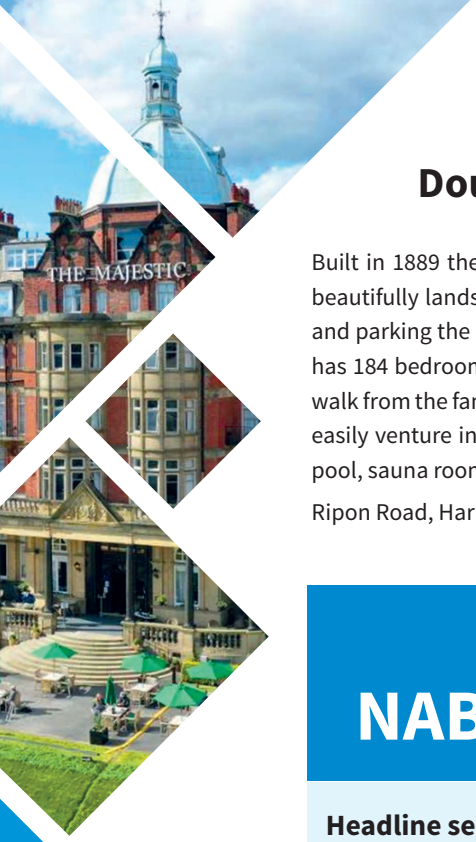
Harrogate is a NABMA favourite venue. It is a Victorian spa town and rural district that contains the medieval city of Ripon, a designated Area of Outstanding Natural Beauty and four charming but very different market towns; Boroughbridge, Knaresborough, Masham and Pateley Bridge.

In the heart of Yorkshire, this is a perfect base for a day, a weekend or a week. With such a varied range of events in Harrogate, you will find there is always something taking place to capture your interest

Your visit can be as active or as indulgent as you like when you explore things to do in Harrogate. With the Yorkshire Dales on the doorstep there is plenty of scope for adventure activities during your stay, from mountain biking to rock climbing and abseiling, or just a bracing walk across the fells. Whatever your interests, let us inspire you to make more of your visit.

For the more metropolitan, the reputation of our shopping streets for exquisite retail opportunities is well deserved and our spa heritage is evident to this day with spa treatments new and old available.

Yorkshire prides itself on its food and drink, and Harrogate District flies this flag with pride, from our own gin, to the delicious local produce available across our towns. As well as familiar names you will find independent restaurants offering carefully prepared ingredients served to please the eye as well as the appetite.



OUR CONFERENCE HOTEL

DoubleTree by Hilton Harrogate Majestic Hotel & Spa

Built in 1889 the hotel has become a part of the DoubleTree by Hilton collection. The hotel is surrounded by acres of beautifully landscaped gardens that overlook the town. With 14 function rooms, a fully equipped Spa and Health Club, and parking the hotel is the perfect destination for both business and pleasure. A Victorian landmark, the four-star hotel has 184 bedrooms and sits in the heart of the spa town of Harrogate. Just a mile from the train station and 10 minutes' walk from the famous Betty's Tea Rooms, it's the perfect location to enjoy Harrogate's quaint shops and spas; you can also easily venture into the beautiful landscape of the Yorkshire Dales. The Harrogate Spa boasts a heated indoor pool, spa pool, sauna room and steam room with a built-in Hymalian salt wall and 6 treatment rooms.
